

Forged in Fire Community Summit

Welcoming parents and caregivers
for an evening of sharing and
learning.

Tuesday, March 12, 2019 6 to 8pm

**Emerald Foundation 2120 Oregon Pike Lancaster, PA
17601**

- How does stress impact children?
- What are the ways stress inhibits growth and achievement?
- What can parents do to manage children's behaviors and build strong relationships at the same time?

Join us to learn answers to these questions and many more!

COST: \$20 per family (no child care)

RSVP required rosie@fifpa.com or 717-419-4580

Learn to find contentment and connection with your child
experiencing challenging behaviors.

We specialize in educating youth, parents, and professionals about how toxic stress affects the development of the brain and the functioning of the body.
